

TAX TIPS FOR TRANSPORTATION AGENT

Things You Should Know

Definitions, 30 Del. C., Ch 23

A transportation agent includes every person operating a business of selling tickets on behalf of other persons for transportation by common carriers on a commission basis or for profit.

Gross Receipts

A transportation agent is exempt from the gross receipts tax.

License and Gross Receipts Requirements

A transportation agent is required to obtain a business license -- \$75 for the first location and \$25 for each additional location -- which must be renewed annually on or before December 31st of each year. To register with the Division of Revenue and obtain a business license, please complete a Combined Registration Application, available on the Internet, and mail to the Division of Revenue with the appropriate fee or you can file on-line at www.revenue.delaware.gov .

Regulatory and Local Requirements

The Business License Issued by the Division of Revenue is not a regulatory license and the issuance of such license does not attest to the qualifications of the applicant to perform the activity described on such license. Many local jurisdictions have requirements for a business license and may have restrictions concerning the locations of conducting the referenced business activity. Please check with the local government office in the town, city or county in which you will conduct your business.

The State of Delaware also has a Division of Professional Regulations. Many occupations and some types of equipment have regulatory requirements. Please contact the Division of Professional Regulation for more information.
