

**NON-RESIDENT AMENDED DELAWARE  
PERSONAL INCOME TAX RETURN INSTRUCTIONS  
(FOR TAX YEAR 2013)**

**GENERAL INSTRUCTIONS**

**PURPOSE OF FORM:**

Use Form 200-02-X to correct Form 200-02. File a separate Form 200-02-X for each year you are amending.

**WHEN AND WHERE TO FILE:**

File Form 200-02-X only after you have filed your original return. Generally, Form 200-02-X must be filed within three (3) years after the date the original return was due, or within two (2) years after the date the tax was paid, whichever is later.

A Form 200-02-X based on a net operating loss carry back must be filed within three (3) years after the date the return creating the net operating loss carry back is due. Therefore, even though the return the operating loss is being carried back to is out of statute, if the return creating the operating loss is still in statute, the carry back year becomes "in statute".

Form 200-02-X should be mailed to the Delaware Division of Revenue, P.O. Box 8752, Wilmington, Delaware 19899-8752.

**WHO MUST FILE:**

If your federal return is changed for any reason, it may affect your Delaware State income tax liability. This would include changes made as a result of an examination of your federal return by the IRS. You are required to report to the Division of Revenue such change within ninety (90) days after the final determination of such change and indicate your agreement with such determination or the grounds of your disagreement. Attach a copy of any federal adjustments to your Delaware amended return.

**WHAT TO FILE:**

1. Residents file Form 200-01-X, Resident Amended Delaware Personal Income Tax Return.
2. Non-Residents file Form 200-02-X, Non-Resident Amended Delaware Personal Income Tax Return.
3. Part-Year Residents may choose to file Form 200-01-X or Form 200-02-X.

**ADDRESS CHANGE:**

If you move after you file your amended return, you should notify the Division of Revenue of your address change. Please be sure to include your social security number (and, if applicable, your spouse's social security number) in any correspondence with the Division of Revenue, or you may change your address by calling the Address Change voice mailbox at (302) 577-8589. You may also call toll free 1-800-292-7826 (Delaware only).

**FEDERAL PRIVACY ACT INFORMATION:**

Social security numbers must be included on your amended return. The mandatory disclosure of your social security number is authorized by Section 306, Title 30, Delaware Code. Such numbers are used primarily to administer and enforce all tax laws, both civil and criminal, for which the Division of Revenue has statutory responsibility.

**DETERMINING DELAWARE INCOME:**

A non-resident individual's items of income, gain, loss and deduction derived from or connected with Delaware sources are the items attributable to:

1. Wages, salaries and other compensation (other than from pensions) received as an employee for personal services rendered or attributable to employment in Delaware. If, in connection with your Delaware employment, you are required to render services

outside of Delaware, such income may be excluded; but you must complete Schedule W and attach it to your return.

2. Severance pay, received by a non-resident from a Delaware source employer, must be included in Delaware source income subject to one of the following prorations:
  - Based on the number of years service rendered in Delaware to total number of years service, OR
  - The average of the percentages of Delaware source income to total income, for the last three (3) tax years, as adjusted on your Schedules W for these years.
3. A business, trade, profession, vocation or occupation conducted in Delaware.
4. The ownership or disposition of any interest in real or tangible personal property in Delaware.
5. Intangible personal property of a non-resident individual, including annuities, dividends, interest or losses from disposition of intangible personal property, to the extent attributable to property employed in a business, trade, profession, vocation or occupation carried on in Delaware.
6. Capital gains, capital losses and net operating losses, including the distributive share of income from partnerships, S Corporations, trusts and estates to the extent they are derived from or connected with sources in Delaware.

**SPECIFIC INSTRUCTIONS**

You can use this form if the return you are amending is for a fiscal year and the ending date of the fiscal year is 2013 or later.

**NAME, ADDRESS AND SOCIAL SECURITY NUMBER:**

If amending a joint/entered into a civil union return, list your names and social security numbers in the same order as shown on the original return. Ensure the social security numbers on your amended return match those on your original return.

If amending to change from a married filing separate/entered into a civil union to a joint/entered into a civil union return, and your spouse did not file an original return, enter your name and social security number first.

**FILING STATUS:**

Check the appropriate filing status for your amended return. If amending to change your filing status, check your new filing status.

**Full-Year Non-Residents** – If you were a full-year non-resident of Delaware for the entire calendar year, check the box indicating full-year non-residency. If you were a part-year resident of Delaware, at any time during the calendar year, electing to file as a full-year non-resident, DO NOT check this box.

**Part-Year Residents** – If you were a part-year resident of Delaware during the calendar year, indicate the dates of your Delaware residency.

**2210 Indicator** – Check the "Form DE2210 Attached" box if you have calculated the Underpayment of Estimated taxes using Form DE2210.

**COMPLETE PAGE 2 OF THE AMENDED RETURN FIRST**

Provide a detailed explanation of the changes claimed on your amended return.

**BACK OF FORM 200-02-X**

**Column 1 – Federal**

This column should reflect the entries you have made on the appropriate lines of your federal return as if you were a full-year resident of Delaware. List all items of income, adjustment, and modification

irrespective of the state from which the items were derived. If Filing Status 3, use only your income.

**NOTE:** Column 1, Line 27 through Line 43, must match each line of Federal Form 1040, 1040A or 1040EZ, for all filing statuses except Filing Status 3. **Exception:** Non-resident U.S. Military personnel who exclude military compensation in Column 1, Line 42.

If you entered into a civil union, you should have two federal returns completed. 1) A federal income tax return that you will fill out and submit to the IRS using a single or head of household filing status. We call this your actual federal return. 2) Complete the second federal return **as if** you are filing jointly or married/civil union and filing separate forms. Use the information you calculate on the **Proforma** or “**as if**” federal return to complete your Delaware income tax return. Don’t submit the **Proforma** return to the IRS, but include it with your Delaware return.

### Column 2 – Delaware Source Income and/or Loss

List all amounts of income, gain, loss, or adjustment from Delaware sources. **Part-year residents must also include all income from any source during the time of Delaware residency.** Part-year residents must first allocate their income by date. Ex: a taxpayer lived in Delaware from 8/1/12 through 12/31/12. If he sold stock on 4/1/12, when he did not live in Delaware, then the gain/loss would not be reported in Column 2. If he sold stock on 9/1/12, while he lived in Delaware, then he must report that gain/loss in Column 2. If income was earned evenly throughout the year, then allocate the income based on the percentage of time of residency in Delaware. Ex: Interest income for the year was \$120. If the taxpayer lived in Delaware from 8/1/12 to 12/31/12, then 5/12 ( $\$120 \times 5/12 = \$50$ ) of the income would be allocated to Column 2.

## Determining Delaware Income

### Line-By-Line Instructions

#### **LINE 27 - Wages, Salaries, Tips, etc.**

Enter in Column 2 wages, salaries, tips or other compensation you received as an employee reported as Delaware income on your W-2. Part-year residents should include the total of (a) the amount earned while working in Delaware **and** (b) the amount earned while a Delaware resident. If, in connection with your Delaware employment, you are required to render services outside Delaware, such income may be excluded, but you must complete Schedule W and attach it to your return. Copies of this form are available from the Division of Revenue and on our website. Do not submit computer worksheets or handwritten calendars in lieu of Schedule W.

**NOTE: Working from home does not qualify for Schedule W exclusion. See the Schedule W instructions for further detail.**

**CORRECTING WAGES – If you are correcting wages or other employee compensation, you must attach a copy of all additional or corrected W-2 forms not filed with your original return.**

#### **LINES 28 and 29 - Interest and Dividend Income**

Generally, interest, dividend income and interest from other States’ obligations are taxable by Delaware only for that period in which **you were a resident of Delaware.** Interest connected with a trade or business located in Delaware should be included in Column 2 regardless of State of residency.

#### **LINE 30 - State Refunds, Credits or Offsets Of State And Local Income Taxes.**

Enter the amount of your Delaware taxable refund in Column 2.

Business income or loss, regardless of source, earned while a resident of Delaware must also be included in Column 2.** Indicate business losses in brackets.

**NOTE:** If you have business income or loss from sources within Delaware and at least one other State, you must either (1) attribute all positive income to Delaware; or (2) determine Delaware source income or loss on Form 800, available from the Division of Revenue or our website.

#### **LINES 33a and 33b - Capital Gains or (Losses)/Other Gains or (Losses)**

Gains or losses from the sale of real property (such as land or buildings) located in Delaware must be reported in Column 2. Gains or losses from property other than real property (such as stocks or bonds) sold **while a resident of Delaware** must also be included in Column 2.

#### **LINE 34 - IRA Distributions**

Enter in Column 2, Taxable IRA distributions received **while a resident of Delaware.**

#### **LINE 35 - Taxable Pension and Annuities**

Enter in Column 2, taxable pensions and annuities received **while a resident of Delaware.**

#### **LINE 36 - Rents, Royalties, Partnerships, S Corps, Estates, Trust, etc.**

Enter in Column 2, the income or loss from **property located in Delaware and/or from doing business in Delaware. Part-year residents must also include amounts of income or loss incurred while a resident of Delaware.**

#### **LINE 37 - Farm Income or (loss)**

Enter in Column 2 the **income or loss incurred from a farm located within Delaware. Part-year residents must also include amounts of income or loss incurred while a Delaware resident.**

#### **LINE 38 - Unemployment Compensation (Insurance)**

Part-year residents report in Column 2 their portion of unemployment compensation **received while a resident of Delaware.** If you are a full-year non-resident, unemployment compensation is only taxed by your State of Residence, even if the unemployment compensation is received from the State of Delaware.

#### **LINE 39 - Taxable Social Security Benefits**

Enter in Column 2, taxable Social Security benefits received while a resident of Delaware.

#### **LINE 40 - Other Income**

Enter in Column 2 any other income for which there is no line provided on the return. Other income includes prizes, awards, gambling winnings, etc. **earned while a resident of Delaware or from sources within Delaware.**

#### **LINE 42 - Adjustments to Income**

Enter in Column 1, the total amount of the adjustments from your Federal Form 1040, Line 36 or Federal 1040A, Line 20.

**Enter in Column 2, the amount of federal adjustments allowable as Delaware source adjustments. It MUST be related to Delaware source income.**

#### **Non-Resident U.S. Military Personnel Stationed in Delaware**

In accordance with the Service Members Civil Relief Act, the amount of military compensation earned by non-resident service members, regardless of filing status, should be included on Line 42 of their Delaware Non-Resident Income Tax Return as a subtraction from federal adjusted gross income. (Column 1 only.) **DO NOT** include your military compensation on Line 42, Column 2.

**EXCEPTION: Alimony Payments – Delaware Source Share of Federal Adjustments**

The portion of Federal adjustment for payment of alimony is limited by the proration of Total Delaware Source Income to Total Federal Income. To determine the proration decimal of your Delaware source income to your Federal income, divide the amount from Line 41, Column 2 by the amount from Line 41, Column 1. Carry out the computation to four decimal places, rounding off to the fourth position. Then, enter the amount of Total Federal Adjustments for alimony and multiply by the proration decimal.

Line 41, Col. 2 = \_\_\_\_\_  
 Line 41, Col. 1 = \_\_\_\_\_ = 

--	--	--	--	--	--

The proration decimal may not exceed 1.0000 or be less than zero.

\_\_\_\_\_ x 

--	--	--	--	--	--

 = \_\_\_\_\_  
 Total Federal Adjustment for Alimony      Proration Decimal      Delaware Source Adjustment

The result is the amount of allowable Delaware source adjustment for alimony. Add this amount to the total of any other Delaware sourced adjustments (other than alimony) taken on your federal return and enter the total on Line 42, Column 2.

**LINE 43 – Adjusted Gross Income – Subtract Line 42 from Line 41**

Your Federal Adjusted Gross Income for Delaware purposes, Column 1, Line 43, should match Federal Form 1040X, Column C for all filing statuses except Filing Status 3. **Exception:** Non-resident U.S. Military personnel who exclude military compensation in Column 1, Line 42.

If an Amended 1040X is not being filed and you are using Filing Status 1, 2 or 5, Column 1 Lines 27 through 43 must match each line of Federal Form 1040, 1040A or 1040EZ; except for Non-resident U.S. Military personnel who exclude military compensation in Column 1, Line 42.

If you are Filing Status 3, Lines 27 through 43 should reflect your own income, losses or deductions.

**NOTE:** If you entered into a civil union in 2013, please refer to your **Proforma** federal return as explained on Page 2, "Back of Form 200-02-X."

If you were not required to file a federal return, please file one of the federal forms mentioned above to determine your federal adjusted gross income.

**NOTE:** Any change you make to your adjusted gross income can cause other amounts to increase or decrease. **Example:** It may increase the allowable deduction for charitable contributions or decrease the allowable deduction for miscellaneous and medical deductions.

**NOTE: The ratio used in reporting income on Lines 27 through 40 is used in determining the ratio of modifications for Lines 44 through 52. For example, a full-year non-resident would enter interest income on Line 28, Column 1 as shown on the federal return, but no interest income would be included as Delaware source income (Column 2). If a portion of this interest income is from US Obligations, that portion would be entered on Line 48, Column 1 only. Since no interest income was reported on Line 28, Column 2 as Delaware source income, no portion of the deduction would be considered from Delaware sources and, therefore, cannot be included on Line 48, Column 2.**

**LINE 44 – Interest on State and Local Obligations other than Delaware**

Interest you received from any obligations of States other than Delaware or their political subdivisions, while you were a resident of Delaware is taxable and must be added on Line 44.

**LINE 45 – Fiduciary Adjustments, Oil Percentage Depletion, Fiduciary Adjustments**

Net additions from fiduciary adjustments arising out of income received from an estate or trust as shown on Federal Form K-1, *Beneficiary's Share of Federal Income and Deductions*, should be included on Line 45.

**Oil Percentage Depletion**

The law provides for the disallowance of any percentage depletion deduction allowable under federal law, to the extent it is in excess of cost depletion. Add the excess to the amount of fiduciary adjustments and enter the total on Line 45.

**LINE 48 – U.S. Obligations**

Interest on obligations of the United States and included on your federal tax return is **exempt** from Delaware tax and should be entered on Line 48. Failure to identify the payor on Federal Schedule B will result in the disallowance of the deduction.

**LINE 49 – Pension Exclusion –** Persons 60 years of age or older are entitled to a pension exclusion of up to \$12,500 or the amount of pension and eligible retirement income (whichever is less). Eligible retirement income includes dividends, interest, capital gains, net rental income from real property and qualified retirement plan (IRC Sec. 4974), such as IRA, 401(k), Keogh Plans and government deferred compensation plans (IRC Sec. 457).

**IF YOU WERE UNDER 60 on December 31, 2012, your exclusion equals \$2,000 or the amount of your pension, whichever is less.**

**NOTE:** Each taxpayer may receive ONLY ONE exclusion, even if he or she is receiving more than one pension or other retirement distribution. A husband and wife who each receive pensions are entitled to one exclusion each. An early distribution from an IRA or Pension Fund due to emergency reasons or a separation from employment does not qualify for the pension exclusion. If the distribution code(s) listed in Box 7 of your 1099 R(s) is a 1 (one), then that amount DOES NOT qualify for the pension exclusion. Also, if you were assessed an early withdrawal penalty on Line 58 of Federal 1040, that amount DOES NOT qualify for the pension exclusion.

**If you are allowed a pension exclusion for Delaware purposes, please enter the full amount in the Federal column. Enter in the Delaware column the ratio of pension and eligible retirement income reported in Column 2, divided by the pension and eligible retirement income reported in Column 1. Multiply this ratio by the pension exclusion amount to determine the allowable exclusion. Enter this amount on Line 49, Column 2.**

EXAMPLE: ELIGIBLE RETIREMENT INCOME		
	Federal	DE Sourced Income
Interest	1,000	0
Dividends	1,500	0
Capital Gain	100,000	100,000
Pension	50,000	0
Pension & Eligible Retirement Income	152,500	100,000

DE Pension Exclusion = (100,000/152,500) X 12,500  
 .6557 X 12,500 = **\$8,196**

Column 1 Pension Exclusion = \$12,500. Column 2 Pension Exclusion = \$8,196.

**Please remember to enclose the 1099 R Forms and other supporting schedules to support your pension exclusion.**

**LINE 50 - Delaware State Tax Refund**

Delaware state tax refunds should be excluded in Columns 1 and 2, to the extent they are included on Line 30, Columns 1 and 2.

**LINE 51 - Fiduciary Adjustment**

Net subtractions from fiduciary adjustments derived from income received from an estate or trust, as shown on your Federal Form K-1, *Beneficiary's Share of Income and Deductions*, should be included on Line 51.

**Work Opportunity Credit**

The law allows a deduction for the portion of wages paid but disallowed as a deduction for federal tax purposes by reason of claiming the work opportunity tax credit on the federal return.

That portion of the deduction for wages, which is disallowed for federal purposes, should be entered on Line 51. In order to claim this modification, you must attach Federal Form 5884.

**Delaware Net Operating Loss Carryovers**

Taxpayers who were prevented in previous years from carrying federal net operating losses to their Delaware returns (because of Delaware's \$30,000 limit on net operating loss carrybacks) are permitted to carry these additional losses forward on their Delaware return in years following the loss year.

**LINE 52 - Social Security/Railroad Retirement Benefits**

**Social Security and Railroad Retirement benefits are not taxable in Delaware** and therefore should not be included in Delaware taxable income. Enter on Line 52 the total amount from Line 39 plus any Railroad Retirement payments included on Line 35.

**Higher Education**

Distributions received from qualified retirement plans (IRC Sec. 4974, including IRAs), cash or deferred arrangements (such as 401(k) plans) and government deferred compensation plans (IRC Sec. 457) may be excluded from Delaware adjusted gross income to the extent they are used within the same tax year to pay for books, tuition or fees at an institution of higher education attended by the taxpayer or by his or her dependents who have NOT attained the age of 26 by December 31, 2013, and so long as such amounts have been included in federal adjusted gross income.

**LINE 55 - Persons 60 or Over or Disabled**

The law provides for exclusions from gross income to persons who meet certain qualifications. **Please refer to the Line 55 worksheet below to determine if you qualify.**
