WHO SHOULD USE SCHEDULE A: Schedule A is used to complete Delaware Form 900-NR, Estate Tax Return for Non-Resident Decedents for the estate of a Decedent who was a non-resident of Delaware at the time of death.

This is the denominator of the proration percentage at Line 9.

ATTACHMENTS: Attach to Schedule B a copy of each of the schedules from federal Form 706 listing real or tangible personal property located outside the United States and the District of Columbia which was included in Line 1 of the federal estate tax return, Form 706, and on each schedule indicate the item and value of or amount of such property.
