**SCHEDULE A**

WHO SHOULD USE SCHEDULE A: Schedule A is used to complete Delaware Form 900-R, Estate Tax Return for Resident Decedents for the estate of a Delaware resident which paid estate, inheritance, legacy, or succession taxes to any other State or the District of Columbia. If this estate paid no estate, inheritance, legacy, or succession taxes to another state, you may skip Schedule A and Lines 7 through 13 of Form 900-R and go directly to Line 14, statement of estate tax due.

PURPOSE OF SCHEDULE A: Use Schedule A to calculate the value of Delaware Taxable Property for Line 7 of the Delaware Estate Tax Return. This is the numerator of the proration percentage at Line 9 of the return. The proration percentage is necessary to calculate the correct amount of credit allowed for estate, inheritance, legacy, or succession taxes paid by a Delaware resident's estate to another State and the District of Columbia.

DELAWARE TAXABLE PROPERTY: Delaware Taxable Property is the value of real property and tangible personal property which is included in the gross estate for federal estate tax purposes and located in Delaware at the time of the Decedent's death plus intangible personal property located anywhere, less the amount of deductions permitted on the federal estate tax return which are attributed to the Delaware property. Schedule A is completed using information taken from the Schedules attached to the federal estate tax return, Form 706.

1. Delaware Real Property to the extent shown on Form 706, Schedules A, E, F, G, and/or H.
2. Value of qualified conservation easement exclusion allowed for Delaware property. Form 706, Schedule U.
3. Subtract (2) from (1).
4. Tangible personal property located in Delaware to the extent shown on Form 706, Schedules E, F, G, and/or H.
5. Intangible personal property everywhere. Form 706, Schedules B through I.
6. Add (3), (4), and (5).
7. Funeral Expenses. Form 706, Schedule J.
8. Cost of administering estate in Delaware. Form 706, Schedule J.
9. Debts of a resident Decedent including mortgages and liens on Delaware property, from Form 706, Schedule K. Do not include mortgages and liens on property outside of Delaware.
10. Net losses on account of Delaware real and tangible personal property and on intangible personal property during the estate administration. Form 706, Schedule L.
11. Expenses incurred in administering Delaware property not subject to claims. Form 706, Schedule L.
12. Bequests, etc. to Surviving Spouse from Delaware property. Form 706, Schedule M.
13. Charitable, Public and Similar Gifts and Bequests paid from Delaware property. Form 706, Schedule O.
14. Add Lines (7) through (13).
15. Subtract Line (14) from Line (6). This is the Delaware Taxable Property. Enter on Form 900-R, Line 7.

SCHEDULE B

WHO SHOULD USE SCHEDULE B: Schedule B is used only for the estate of a resident which paid estate, inheritance, legacy, or succession taxes to any other State or the District of Columbia. If this estate paid no estate, inheritance, legacy or succession taxes to another state, you may skip Schedule B and Lines 7 through 13 of Form 900 - R and go directly to Line 14, statement of estate tax due.

PURPOSE OF SCHEDULE B: Use Schedule B to calculate the value of "federal taxable estate, less the value of real and tangible personal property not located in any of the States or the District of Columbia" for Line 8 of the Delaware Estate Tax Return. This is the denominator of the proration percentage at Line 9.

ATTACHMENTS: Attach to Schedule B a copy of each of the schedules from federal Form 706 listing real or tangible personal property located outside the United States and the District of Columbia which was included in Line 1 of the federal estate tax return, Form 706, and on each schedule indicate the item and value of or amount of such property.

Attach Schedule B to the Delaware Estate Tax Return, Form 900-R.

1. Enter value of taxable estate from Line 3a of Federal Form 706.
2. Enter the gross value of real or tangible personal property located outside of the fifty states and the District of Columbia that was included in Line 3a of Federal Form 706.
3. Enter the amount of mortgages and liens on the value of real and tangible personal property listed at Line (2).
4. Enter the expenses of administering property listed at Line (2).
5. Add Lines 3 and 4.
6. Subtract Line (5) from Line (2).
7. Subtract Line (6) from Line (1) and enter on Line 8 of the Delaware Estate Tax Return, Form 900-R.
